FINANCIAL POLICY

Thank you for choosing Midwest Endodontics for your endodontic needs. Our practice is dedicated to providing the best professional advice, care and endodontic treatment for our patients. Please understand that payment of your bill is part of your treatment. The following is an explanation of our Financial Policy for you to read and sign before seeing the doctor.

SELF-PAY PATIENTS:

Payment in Full is due at the time services are rendered. We accept cash, check, MC, Visa, Discover and American Express. We also offer financing options available through CareCredit and the Henry Schein CitiBank Card. Please discuss this option with the receptionist if you are interested.

INSURANCE INFORMATION FOR INSURED PATIENTS:

Your insurance policy is a contract between you and your insurance carrier. It is vitally important that you understand your coverage.

Our office is committed to providing the best treatment for our patients and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance carrier's arbitrary determination of usual and customary rates (UCR).

When treatment is completed, 25% of the total fee is due. (Most dental insurance plans do not cover 100% of the cost; in the event of an overpayment, the difference will be refunded back to you). As a courtesy to you we will file your dental claim. However, be aware that you are responsible for whatever your insurance does not cover.

If our office has a contractual agreement with your dental insurance carrier the deposit amount will be 20% of the total fee. There may still be a balance due after the insurance pays. Currently we have contracts with Delta Dental Premier, Aetna and Superior.

As of 1/1/2011 we will also have a contract with Dentemax. We will also be participating in the Cigna Dental Network Savings Plan as of 1/1/2011.

I have read and understand this Financial Policy.
